When the feud began getting out of hand, General ROMKOWSKI called a meeting of the "old guard" (former KFP members) and the newcomers, to air the problem.    Subsequently FEJGIN took the leading place in Party activity in Department X. He   did not get along with the women in question   50X      The local Party committee (Komitet Dzielnicowy) was specifically charged with the ideological education and security of its Party members. Through Party activity and the regular system of watching over its membership, the Party generally achieves the security ends it desires. The UB is not directly concerned with the ideological security of Party members.
